Important Rules

- This study plan is designed for students starting the Double Degree Program in the academic year 2021/2022.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program.
- The list of courses may be subject to changes should the academic offer at King's College London or Luiss be amended.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During any given academic year, students will be subject to the rules of the university they are attending.
- Selected students can progress to the 2nd year if they have passed at least 45 ECTS during their 1st year at either Luiss or King's College.
- Students will not be allowed to change their registration status to part time.

- During the studies at King’s College London, students will have one re-sit opportunity.
- At the end of the program, if compliant with both Luiss and King’s academic requirements, students will obtain two degrees in Policies and Governance in Europe: a Master of Arts by King’s College London and a Master’s Degree (Laurea magistrale) by Luiss.

Thesis

- Students will complete their theses during the 2nd year (2022/2023) with one leading supervisor from the university in which they are studying and one secondary supervisor from the other university.
- Students must respect the thesis procedures and deadlines from both institutions. Each institution will grade the final thesis according to its own standards.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the following page.
- Students are required to complete all academic activities (including all courses included in the 1st year, to be taken at Luiss) prior to defending the thesis.
- Students will be required to submit their thesis by August to both institutions and will graduate in November at King’s and Luiss.
- Students will be required defend their thesis orally.
