

## Degree Prize Sistemi Formativi Confindustria

**Sistemi Formativi Confindustria** contributes to the growth of managerial culture and process innovation within the Confindustria System, for SMEs and Public Administration. It carries out its mission through the promotion and coordination of training activities and funded projects. The continuous exchange of knowledge with stakeholders makes possible to anticipate and understand the training needs of the system and the companies and, at the same time, to disseminate at national level the results and *best practices* of the interventions developed by the members in the area.

Luiss Guido Carli, in collaboration with Sistemi Formativi Confindustria, announces a competition for the award of a degree prize for **€ 2.500** open to **graduates of master's degree program** of the **Department of Economics and Finance** and the **Department of Business and Management** that completed their studies *in corso* in the period between 1 July 2021 – 29 July 2022 with a grade not less than **105/110** discussing a **thesis regarding areas of one of the Companies associated with the Confindustria System**.

Applications to participate in this competition must be sent no later than **noon on 1 August 2022** using the form available online at:

<https://www.luiss.edu/studenti/agevolazioni-economiche-e-prestiti/premi-di-laurea>

accompanied by a copy of the thesis and abstract and curriculum vitae of the candidate.

The applications will be examined by a special Commission, consisting of three faculty members designated by Luiss Guido Carli, which will award the prizes at its absolute discretion.
