Important rules

- This study plan is designed for students taking part in the mentioned Structured Partnership Program and spending the academic year 2024/2025 at BI Norwegian Business School.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the program.
- During the mobility, students will be subject to the rules of the partner university.
- The list of courses to be taken abroad may be subject to changes should the academic offer at BI Norwegian Business School be amended.
- In addition to the courses listed above, students will be required to complete the Final Work (4 ECTS), according to Luiss' rules and with a Luiss supervisor.
- Students participating in this program may not be able to graduate at Luiss in July 2025 but will be able to do so in October/November 2025, provided they pass all exams.
- It is not possible to request an official renounce of grade registration.

¹ If the course "International Commercial Law" is not available, students will choose another elective course taught in the 2nd semester listed in the table above.
