Important Rules

- This study plan is designed for students taking part in DDIM Program with Fudan School of Management starting in the academic year 2023/2024.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible and any request in this sense must be conveyed to the International Development Office, that cannot guarantee its feasibility.
- The list of courses to be taken abroad may be subject to changes should the academic offer at Fudan School of Management be amended.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of Fudan School of Management.
- For the courses taken at Fudan School of Management:
 - The total number of students who can obtain a grade of A or A- cannot exceed 30% of the whole class.
 - Only one retake is available for each course. The maximum grade for a retake is a D- in the Fudan scale (or 18/30 in the Luiss' scale).
- At the end of the program, if compliant with both Luiss and Fudan academic requirements, students will obtain both the Master of International Business Management (issued by Fudan) and the Master's Degree in Management/Corporate Finance (issued by Luiss).

Thesis

- Students will complete their theses during the second year at Rome with two supervisors: one from each university.
- By the end of the 1st year, students will be assigned a Fudan supervisor and will be provided with further information on Fudan's thesis procedure.
- Luiss students will defend the Master thesis at Luiss, according to the regulations in place for the academic year 2024/2025, and online with the Fudan School of Management.
- Graduating students might be selected for a blind evaluation by an external Chinese professor.
