Selected students will be required to pay additional tuition fees to the Fordham University and they will continue paying tuition fees to Luiss.

All expenses related to the participation in the program, notably transport, accommodation and food, administrative expenses, costs associated with securing a visa, medical/health/accident insurance, books and personal expenses, will be borne by students. Furthermore, students must comply with all the regulations of both universities in order to obtain the two Degrees.

Selected students are required to read and understand the relevant study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Once selected, students are required to carefully read and sign the document “General Understanding on Mobility for Double Degrees and Structured Exchanges”. Exams passed at the partner university during the mobility period will be transferred to the Luiss career according to the DD study plan. It is not possible to request an official renounce for the registration of the grades.

Selected students for the program with Maastricht are eligible for an Erasmus+ grant. The allocation of the grant will depend on the annual fund for Erasmus+ available to the European Commission. Further information on the topic will be shared with students in the summer period (Summer 2025).

While every effort will be made to provide students with complete, accurate and timely information, Luiss reserves the right to change, amend, modify or revoke the aforementioned program. The transfer courses are specified in the study plan. No requests appealing against this rule can be accepted due to strict regulations by the partner university.

3.3.2 Graduation at Luiss

Students enrolled in the 2nd year in the a.y. 2024/2025 who are willing to graduate in the Autumn session in the a.y. 2024/2025 are required to notify the International Development Office by email before 1 September 2025.
