## **Important Rules**

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2025-26 at Bayes Business School.
- The list of courses to be taken abroad may be subject to changes should the academic offer at Bayes BS be amended.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible. Any request in this sense must be conveyed to the International Development Office and the Academic Coordinator, that will evaluate the request.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of Bayes BS.
- At the end of the program, if compliant with both Luiss and Bayes BS academic requirements, students will obtain both the MSc in Corporate Finance (issued by Bayes BS) and the Laurea Magistrale in Corporate Finance (issued by Luiss).

## **Thesis**

- Students will complete their theses during their mobility period with two supervisors, and it is considered an individual work
- Both supervisors have to approve the proposal, which must meet the standards of both institutions.
- Students must respect the thesis procedures and deadlines from both institutions.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the [following page](#).
- Each institution will grade the final thesis according to its own standards.
- Luiss thesis is equivalent to Bayes BS Business Research Project. Submission deadline for Business Research Project is on September 2026, in compliance with the terms defined by Bayes BS.
- Students will be required to discuss the thesis at Luiss during one among the official graduation session available, starting from October 2026.

## **Conversion Table**

Courses taken at Bayes BS during the a.y. 2025-26 will be transferred to the Luiss degree according to the following grade conversion table:

Luiss Guido Carli	UK Bayes BS	Definition
<b>30 e lode</b>	<b>70% +</b>	
<b>30</b>	<b>69% - 65%</b>	<b>Excellent</b>
<b>29</b>	<b>64% - 60%</b>	<b>Very good</b>
<b>28</b>	<b>59% - 55%</b>	
<b>27</b>	<b>54% - 50%</b>	<b>Good</b>
<b>26 - 24</b>	<b>49% - 45%</b>	<b>Satisfactory</b>
<b>23 - 18</b>	<b>44% - 40%</b>	<b>Pass</b>
<b>&lt; 18</b>	<b>&lt; 40%</b>	<b>Fail</b>

While every effort will be made to provide students with complete, accurate and timely information, Luiss reserves the right to change, amend, modify or revoke the aforementioned program. Luiss is not responsible for any cancellation or modification due to events beyond its control. If the program is cancelled or modified for these reasons, Luiss will inform all interested students in a timely manner.
